

Selection of As-Needed Environmental Professional Monitoring Consultant Agreement

Ruth Kolb

City of San Diego Storm Water Department

September 8, 2010

think**BLUE**
SAN DIEGO

Requested Action

- **City Council authorize Mayor, or designee, to approve and execute one 5-year as-needed professional services agreements for \$3 million annually to MACTEC Engineering and Consulting, Inc.**
- **City Council authorize expenditure of up to \$15 million over 5 years**

Background

- The City's Storm Water Pollution Prevention Division has relied on consultants since 1993 to provide as-needed pollution prevention services
- Four previous as-needed professional services agreements
 - KLI, 1993 and 1994
 - Woodward Clyde, 1995-1999
 - MEC Analytical Systems, Inc., 2000-2004
 - Weston Solutions, Inc., 2005 to current

RFP and Selection

- **RFP advertized in April 2010**
- **Two submittals received**
 - MACTEC Engineering & Consulting, Inc.
 - Weston Solutions, Inc.
- **Selection Panel:**
 - Storm Water Department
 - Equal Opportunity Contracting
 - Public Utilities Department
- **Interviews in August 2010**
- **Highest Qualified Firm: MACTEC Engineering & Consulting, Inc.**

Agreement Terms

- **One agreement**
 - 5-year duration with Council authorization
 - Not-to-exceed capacity of \$15 million
- **Requested services overview**
 - Preparation of monitoring plans and accompanying documents
 - Collecting and analyzing water, sediment, air, benthic, toxicity, and bioassessment samples during dry weather and storm events
 - Provide technical assistance with the development of compliance strategies for Storm Water Permit, Total Maximum Daily Loads (TMDLs), Area of Special Biological Significance (ASBS), and Clean-up & Abatement Orders (CAO)

Fiscal Considerations

- Up to an aggregate of \$15 million over 5 years
- Funding approved by Council as part of annual budget process
- Semi-annual updates to be provided to NR&C

Summary

- **Request permission to obtain City Council to authorize Mayor, or designee, to approve and execute one 5-year as-needed professional services agreement for \$15 million to MACTEC Engineering & Consulting, Inc.**
- **Request City Council authorization expenditure of up to \$25 million over 5 years**
